

Corsair V DiSalvo

>> CORSAIR-V DiSALVO

Arai rider Jason DiSalvo, winner of the 2011 Daytona 200, has been at the forefront of AMA Daytona SportBike racing for the past few years. This year, his helmet design was chosen to be added to the select group of replica designs on the Arai Corsair-V model. Based on its striking color combination, and patriot theme, DiSalvo's helmet can be seen across the track, and therefore anyone wearing this design will surely get noticed.
