The Joey Dunlop Legend Continues...

Unquestionably one of the greatest road racers of all time, Joey Dunlop is best known for his 26 Isle of Man TT victories. "Yer Maun" dominated wherever he raced, winning the Ulster GP an amazing 24 times and the North West 200 13 times.

At Arai helmet, we honor this great man through a limited edition of Corsair-V helmets painted in his familiar yellow and black color scheme, in the original historically accurate "JOEY - DOWNTOWN RADIO" livery that Joey himself created and wore in 1985, the first year of his three hat trick victories (three class wins) at the Isle of Man.

This slice of history is extremely limited (less than 150 for the North American Market). If you want one, do not hesitate, they will not last long!
