CORSAIR-V NICKY 4

>>> CORSAIR-V NICKY-4

The latest design in what has been a very successful series, the new Nicky-4 continues with a familiar graphic theme, but with much more color and flare. The inclusion of the iconic 69 throughout, along with the paint splatter technique up front, make this possibly the most visually interesting Nicky design we've seen in quite some time. The colors of this design gives Arai dealers a great graphic that our Italian fans will love. This Nicky-4 will also be the first Nicky design in recent history to carry his now iconic racing crest on the back.
