

# Attention To Details

The Scheme design offers a brilliant double stripe of color, that can be seen from quite a distance, combined with some subtle and in-depth details hidden within the graphic that can only be seen and truly appreciated from up close. Offered on the brand new "SIGNET-Q PRO-TOUR" model, comes standard with the hugely popular Pro Shade System shield and new ECO-PURE antimicrobial liner. These features offers benefits, even if you're not a touring rider. The New Signet-Q Pro-Tour Scheme, in Bright Green or Deep Blue, will be hitting dealer shelves by Mid-January.
