

CORSAIR-V DANI-3 RED

>>> CORSAIR-V Dani-3 Red

In response to the tremendous reaction and success of the new Dani-3 replica, Arai has expanded the design offering with a red-based option, aptly named "Dani-3 Red". Whereas the original Dani-3 had both red and blue in the design, this version simply replaces the blue with more red. The first shipments are already sailing towards port and are expected to be in dealers by early February, so check with your local dealer for an updated ETA.
